What to Bring - hiking shoes or boots. Warm clothes and layering is essential when we are on the mountain at night (7000 foot elevation). Also bring shorts & swimsuit as the days are hot.

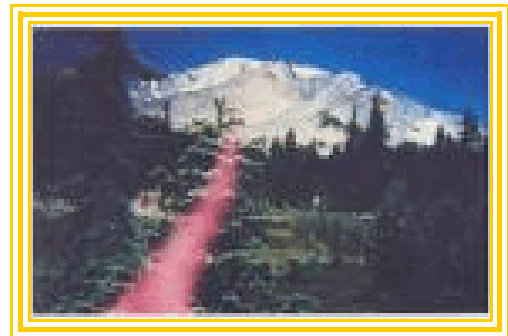

Why - Together in reverence, love and gratitude before the Almighty Mount Shasta and connect at every multi-dimensional aspect of our true nature. Connecting with the Mighty Brotherhood of Mount Shasta, the All-Consuming Violet Flame, the Ancient Melchizedek Temple, the Pleiadians and Sirians, the Akashic Records, Archangel Gabriel and consort Mother Hope, RA-MU, the subterranean city, and so much more. We also gather to anchor the "Ethereic Violet Pillar" on Mount Shasta, for the upgrade of the world's magnetic web or leylines, of the Seventh Golden Age of Aquarius, for the Seventh Root Race and for the many virtues of the Mighty Seventh Cosmic Ray of The Violet Flame (God's Love). Through all of these actions, we gain so much more for our spirit, as our soul only registers "truth" through actual experiences. This is the 15th Annual Conclave here on the volcano, and the sole purpose and mission is for each soul to have his/her own magical precipitations and manifestations with fifth-dimensional (and higher) light frequencies. The reality is that the fifth dimension (oneness) has never left Mount Shasta. This electro-magnetic, four-coned volcanic vortex is a One-Of-A-Kind in the whole of the world. There are other sacred mountains of the world that hold fifth-dimensional frequencies, but Mount Shasta is the only place on Earth that expresses so many different multi-dimensional aspects and frequencies simultaneously, with an unparalleled acceleration and magnification.

Mount Shasta is vibrating at such a fine degree, that if the protons were to spin at even just a slightly higher rate, the whole of Mount Shasta would literally be invisible, radiating at the higher dimensions. This is one of the world's "Seven Sacred Mountains". Come Embrace The Elder Crown Chakra of Lemuria and The Present-Day Crown Chakra of The Aquarian Age, MOUNT SHASTA!
