

# **DIVINE PERU PILGRIMAGE NOVEMBER 6-13, 2017**

## **Deep Transformational Journey of a Lifetime**

Lake Titicaca is where The Feminine Ray enters the Earth. Where we find the purest frequencies of the Universal Mother, the Omega aspects of the Great Central Sun, The Source. Lake Titicaca has a subterranean etheric retreat via the Amaru Muru Doorway. And there is also an etheric retreat over the lake, The Temple of Illumination. As we connect to the Apus, the celestial mountain god/goddess of Machu Picchu, Mamacha Putucuzi, Wayna Picchu, Mt. Veronica, God & Goddess Muru, and more, we create a deeper connection within ourselves and Pachamama (World Mother) and Tayta Inti (Father Sun).

With traditional ceremonies held at Macchu Picchu, Temple of Viracocha, Sacsayhuaman and our main ceremony is the 11:11 Procession at the Doorway of Amaru Muru.

Come embrace the majesty of the Andes, and the Incan Trail, monoliths and sacred temples, with ascended master and “walk-in” Saint Germain. Along with master-guide Jorge Luis Delgado and other top Peruvian spiritual guides, this pilgrimage is a most unique experience in a true journey of the soul, of remembrance, of the Inca, and of Lemuria.
