

“I AM” Rhyming Affirmations

Saint Germain

I AM infinite love, of the Violet Fire,
I AM in, the seamless-garment attire.

I AM adorned in amethyst stone,
I AM ablaze in golden-fired thrones.

I AM inside song and sacred sound,
I AM the Rakoczy March, minutemen found.

I AM one with Christ, and Joseph our Saint,
I AM total God-consciousness embraced.

I AM the alchemist, the master of every situation,
I AM Merlin, of instant manifestation.

I AM the word, of Shakespearean fruit,
I AM this anchor, steadfast and true.

I AM calling on Shasta, the Holy Mount,
I AM under the Cloak of Invisibility, with the “Count”.

I AM where miracles and prophecy reside,
I AM humility, in God's grace I abide.

I AM the Law of Giving and Receiving,
I AM the Law of Freedom and Justice conceiving.

I AM lifted in victorious light,
I AM in service, eternally sustained,
I AM always with the Aquarian Knight,
I AM one with Beloved Saint Germain.
